

LUKE WALKER

I joined the WBCT when it was the Amenity Group in 1991. I spent many years being a very actively involved member, and became a Life Member. Some years ago I had to focus on my career – having been made redundant – so stepped down from my roles in WBCT. I have been an interested member of the Trust and Foxham Branch since then. I am willing to be Membership Trustee if the Members wish. I am also willing to serve as a 'normal' Trustee so have also submitted a nomination under Article 44.
